

Platinum Studio

The Platinum Studio is our largest studio at 60 square metres (6m x 10m). As with our other studios the ceiling is arched yielding a naturally good acoustic.

The room has been fitted with a Soundcraft mixer coupled with EV and Mackie main monitors. The room also comes with two Torque powered wedge monitors and a Yamaha fill Monitor.

Additional equipment:

Pearl Session
Marshall Jcm800 & IBS bass
Marshall Jcm2000
Peavey Windsor
Two 4x12 cabs
18" cab and 4x10" cab
Yamaha Organ
